

Piano Audition Video Submission Instructions

1. Review the [Piano Audition Repertoire Requirements](#) or [contact Dr. Boyce](#) if you have any questions about your audition repertoire.

Note: No scales are required for the piano audition. Regardless of your experience with scales, all piano students complete a 4-8 semester sequence of scales and arpeggios depending on your degree program.

2. Set up your camera (the camera on your phone, tablet, or computer is fine to use) so that we can see your sitting position and your hands. A profile view is best.

3. When you start the recording, please announce your name and your pieces.

4. Once you're done recording your pieces, upload them to YouTube, Google Drive, or a video platform from which you can share your video.

5. Generate a "Sharable Link" to your videos. Make sure that settings allow us to view the video using the link.

6. Complete the **Online Audition Application (LINK)** and submit the link to your videos.

7. You will receive a response from the Music Department within 1-2 weeks.
